## Firestarter Speaker

*Nora Steurer, Programme Management Officer,  
Global Alliance of Buildings and Construction*

Hear from Nora about the prevalence of buildings and related actions within Nationally Determined Contributions for governments working towards the Paris Agreement goals, and the opportunity for enhanced action.

Nora works on energy efficiency and buildings for the Secretariat of the Global Alliance for Buildings and Construction (GABC) which UN Environment's Economy Division is hosting. Nora is interested in policy frameworks and economic and behavioural incentives conducive to energy- and resource-efficient cities and buildings.

***United towards a net zero, resilient built environment  
and cities for everyone, everywhere***
